Now is the time to get rid of your rheumatism. You will find Chamberlain's Liniment wonderfully effective. One application will convince you of its merits. Try it. For sale by all dealers.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

### Lone Tree Cullings.

April 30th 1911.

Here I come again, to chat awhile with all the correspondents of the Gazette.

We are having regular spring weather. The sky is overcast and the south wind blows hard enough to make a person feel uncomfortable.

Lone Tree school closed April 21, with many attendants. A few nice songs were sung by the school children and a dainty lunch of cakes was served. It certainly was a joyful evening.

On last Tuesday, April 25, Mr. Frid. Herrson of this place and Mrs. Mary Schmidt of Chicago, were married at 1 o'clock p. m. A large crowd assembled at Mr. Herrson's residence to witness the marriage. Mr. Herrson was a widower, and a father of six children, and Mrs. Schmidt was a widow with two children. The happy family will reside in this neighborhood.

Mr. Chas. Herbeck left for Houston last Friday after two weeks visit with homefolks.

Miss Idella Jurach of Westhoff, who was visiting here several weeks, returned home last week.

There will be a grand ball at National hall May 9th.

There was a little crowd gathered at the home of Mr. and Mrs. John Herbeck this evening, but after the hard rain fell everything was spoiled. Mr. Charlie Krupala had a hard time getting home with his motorcycle.

Mrs. Anna Marek and son, Johnny, spent last Sunday with her daughter, Mrs. Louis Skrehot, near Hochheim.

Farmers are having a hard time with their field work and it is mighty hard to get hands, as they are scarce.

Well, as it is getting late I will close for tonight. I am, as ever,  
GIRLIE.

For soreness of the muscles, whether induced by violent exercise or injury, Chamberlain's Liniment is excellent. This Liniment is also highly esteemed for the relief it affords in cases of rheumatism. Sold by all dealers.

MAYFLOWER.

### Do Ghosts Haunt Swamps

No, never. It is foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., and I've had fine health ever since." Use this safe, sure remedy. Only 50c at Schulze, Gray & Co.

### Dilworth Doings.

Dilworth, April 25th 1911.

Rain, rain! Plenty of it and some to spare. Jupiter Pluvius turned loose on the farmers and sent a heavy downpour on last Sunday morning and again paid us another visit Tuesday, raining all day, with a cool breeze from the north pole.

To say mother earth is full would be putting it lightly. Fields are boggy and farm work will be at a standstill for several days.

With drifting clouds the weather still remains unsettled.

Wolf hunters were out again last with poor success.

Mr. Jim Woods delivered a nice lot yearlings last week.

Cattle are doing fine and grass flourishing.

Mr. and Mrs. J. W. Griffin were visitors in Gonzales last week spending as guests with Mr. and Mrs. Herman Orts.

Mrs. Cobb also visited the Heroes and Confederate monuments, which reflect great credit on the citizens of our county capital. To the fallen heroes: "Requiescat in pace."

The dewberry crop was a failure, so far as we can learn, but the wild grape crop is fine.

Health of our section very good.

As news is scarce we will ring off for this time. More anon.

AMICUS.

April 30th 1911.

Hello, dear Editor and readers! Here I come again after a long absence and I hope to see this in print.

Mr. Arthur Pfuhl returned Sunday before last from a visit of a week with friends at Orchard, Fort Bend county, Subline and other points. He reports an O. K. time.

Early this morning the sad news was received here of the sudden death of the little son, Victor of Mr. and Mrs. Willie Jaroszewski of Yoakum. The funeral took place at the Shiner city cemetery at about 10 o'clock Sunday morning.

The news was also received of the sudden death of Miss Emma Muennich of near Charlottenburg. Her age was about 22 years. The funeral will take place at the Charlottenburg cemetery Monday afternoon at 3 o'clock. May she rest in peace.

Mr. Richard and Kurt Pfuhl made a business trip to Gonzales Friday a week ago.

Mr. and Mrs. Wm. Hasemann visited Mr. Fred Pfuhl and family today, Sunday.

Mr. Walter Hoerig and family visited Mr. Richard Pfuhl and family today.

Saturday a week ago there was a dance at Kokernot school and some report it was O. K.

Cotton choppers are very scarce around here and they offer a very good price.

I hope this letter will not go into the waste basket.

I will say to the Editor and readers, one and all, ein gute nacht.

DER HUMBUGGER.

### Saved Child From Death.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure and our child is again strong and healthy. For coughs, colds, hoarseness, la grippe, asthma, croup and sore lungs, it is the most infallible remedy that is made. Price 50c and \$1.00. Trial bottle free. Guaranteed by Schulze, Gray & Co."
